## FROM THE PRINCIPAL

Dear Parents and Community Members,

The annual report card issued by Oregon Department of Education offers a comprehensive picture of Condon School District. We have many things to celebrate as we reflect on 2016-17 and get ready to begin the 2017-18 school year. We are committed to see every child succeed and one of the ways this is accomplished is through staff collaboration of data driven instruction. The District continues to look at assessment tools that are user friendly, and gives valuable data to teachers to individualize instruction.

Condon School District students in grade 3-8 and 11th grades took the SMARTER Balanced assessment again this year. Our District scored above the state average in the majority of areas

scored. We continue to strive for improvement each year through professional development for staff, instructional interventions based on data, and developing or adopting curriculum that meets the current standards.

We are proud of the students and staff of Condon School District, and we value our partnerships with parents and the community. We look forward to working together this coming year to support a positive learning environment that is safe, respectful, and responsible for students to reach their full potential.

Thank you,

Principal | Michelle Geer

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
